INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Violence Intervention Program, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Violence Intervention Program, Inc., which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Violence Intervention Program, Inc. as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

The financial statements of Violence Intervention Program, Inc., as of and for the year ended June 30, 2016, were audited by other auditors whose report dated October 31, 2016 expressed an unmodified opinion on those statements. The summarized comparative information presented herein, as of and for the year ended June 30, 2016, was derived from those audited financial statements.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 30, 2017, on our consideration of Violence Intervention Program, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Violence Intervention Program, Inc.'s internal control over financial reporting and compliance.

NOTE 1 - ORGANIZATION

Violence Intervention Program, Inc. ("VIP" or the "Organization"), established in 1984, is a community-based nonprofit organization providing services to victims of domestic abuse, sexual assault, and family violence. VIP's mission is to lead Latina victims of domestic violence to safety, empower them to live free of violence, and help them reach and sustain their full potential. VIP pursues its mission by raising community awareness, engaging in activism, and providing culturally competent services.

Created as a grassroots response to intimate partner violence and sexual assault, VIP has always centered survivors in its leadership and has worked to create a community of staff that reflects the rich national, ethnic and racial diversity of the communities it serves. The majority of VIP's clients are immigrants to the United States, who find themselves navigating unfamiliar systems during crisis. We collaborate with other social and legal service organizations to develop a safety net to support all survivors of domestic violence and sexual assault. VIP runs three nonresidential social service programs and two residential shelter and housing programs, in addition to a robust communications and outreach department targeting the most vulnerable victims of abuse. VIP works with government agencies to support systems change that fully supports survivors and their families and seeks true cultural change to eradicate gender-based violence.

In fiscal year 2017, VIP provided culturally sensitive, trauma-informed services to over 2000 survivors of intimate partner violence and sexual assault.

Demographics and Client Population

VIP operates offices out of Manhattan, Queens, and Bronx counties, where poverty rates continually surpass or hover around the national average of 15%. Most participants and outreach targets reside in New York City communities with the highest rates of crime and violence including East Harlem, Washington Heights, Corona, Flushing, Jackson Heights, East Elmhurst, Whitestone, Moshulu, Highbridge, Concourse Village, and University Heights (neighborhoods which continue to be adversely affected by the economic downtown of 2008). VIP's client demographics continue to reflect a growing demand for language access and culturally relevant services to immigrant populations, inclusive of addressing economic empowerment issues that pose a threat to its families' ability to live free of violence.

Bilingual Hotline 1-800-664-5880

We operate a live, 24/7 hotline, which provides full language access to callers seeking assistance. Callers receive immediate access to crisis counseling, safety assessment and connection to ongoing services and shelter placement. VIP continues to receive thousands of calls a year, totaling over 11,000 calls for help in fiscal year 2017.

NOTE 1 - ORGANIZATION (Continued)

Community Education and Outreach

VIP's Community Education & Outreach (CEO) department raises awareness about the detrimental impact of domestic violence and sexual assault while promoting access to services and developing meaningful community partnerships. During fiscal year 2017, VIP conducted domestic violence workshops and presentations in schools, community centers, senior centers, social service agencies, faith-based organizations, as well as nontraditional settings such as restaurants, doctor's offices, and beauty salons throughout New York City.

Our Adelante Mujer (Women Moving Forward) initiative invests in the leadership of survivors of domestic violence by training them to provide grassroots community education and outreach. Building on evidence-based community health worker (promotora) models, survivors use their own experiences of healing and empowerment to bring a powerful antiviolence message to Latin communities and communities of color. Promotoras are role models, able to bridge gaps among providers, clients, family members, communities and resources.

Since April 2017, we have been working with the Taproot Foundation to design a strategic plan to deepen our engagement with hidden communities. We have completed an extensive survey and data analysis processes to identify the most marginalized communities that we are not yet reaching through our traditional outreach efforts.

In addition, VIP is a founder of the NY Latinas Against Domestic Violence, the planning committee for the Bride's March, an annual memorial walk for people who have lost their lives to domestic violence. In commemoration of Gladys Ricart, a victim who was killed on her wedding day by a jealous and controlling ex-boyfriend, VIP marches with hundreds of supporters to raise awareness of the deep cost of ignoring domestic violence.

Morivivi Safe Dwelling Program

Morivivi is an emergency domestic violence shelter that offers immediate sanctuary to victims fleeing imminent harm to them and their families. The Organization shelters up to 22 single adults and heads of household in scattered-site apartments offering a total of 51 beds. Shelter residents have a safe place to stay for up to 180 days and are provided with intensive support services, including individual and group counseling, advocacy, case management and referrals to legal and mental health services.

Casa Sandra, Transitional Housing Program for Social Change

Since 2005, VIP has provided families coming out of domestic violence shelters up to two (2) years of transitional housing. Founded on the human rights principles of respect, dignity, and equality, Casa Sandra operates under the premise that everyone deserves safe housing, especially survivors seeking stability postcrisis. This program is a stepping stone towards independent living, free from violence. Program participants pay rent and learn the rights and responsibilities of being private tenants so that they are set to succeed when they move out on their own.

NOTE 1 - ORGANIZATION (Continued)

Nonresidential Programming

VIP runs three community-based offices in Queens, Bronx and Manhattan so that survivors have accessible, confidential locations to obtain our services closer to their homes and communities. Counseling services are available to clients to process the trauma of domestic violence and to begin a path towards healing. Support groups emphasize peer support, and serve to educate survivors about intersecting needs and resources related to housing, immigration, economic empowerment. Underpinning all services are ongoing, in-depth safety plans developed in partnership with Counselor/Advocates - a life-saving practice for people experiencing constant threat of harm by an abusive partner. VIP staff serve as a critical information and referral source for all clients, connecting survivors to legal, housing, benefits and additional mental health services, as needed.

Nonresidential program staff participate in outreach activities and facilitate presentations and events that promote victims' rights, women's health, and available services to the community. Program staff participate in workshops and training that promote professional growth. During fiscal year 2016-2017, staff attended training on intimate-partner violence, effective supervision, sexual assault, voter registration, performance management, advocacy, trauma informed practices, economic empowerment, legal rights, stalking and homicide, and immigration access, for victims of a crime.

Economic Justice & Survival Programming

At VIP, we strive to reach and support the most marginalized survivors who often cannot access mainstream services due to immigration status, language and other barriers. Economic security is a vital component of people's healing and survival. The Economic Justice and Survival Program (EJSP) addresses survivors' needs with cultural humility and a strengths-based approach. We acknowledge the presence of historical oppressions and develop strategies that recognize the impact of intergenerational poverty, racism, xenophobia and misogyny. EJSP enhances self-sufficiency, financial literacy, and asset-building, while assisting with credit repair, bankruptcy, student loan consolidation, and more. We cover subjects like gender roles and the influence of it in women's relationships with money, culture, and other systemic structures such as patriarchy and capitalism. Scholarships are awarded to clients to pursue certifications or training to further their skills and increase their chances of employment. Manos de Esperanza (Hands of Hope) is designed to enhance the marketing, financial, and business skills of clients who sell homemade food and jewelry, and enables clients to move their business to a level where they can sustain themselves and their Our programming is unique because it assists all survivors, no matter how marginalized from traditional workforce development opportunities, to learn how to economically stabilize and thrive after crisis.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements of the Organization have been prepared on an accrual basis of accounting in conformity with generally accepted accounting principles for not-for-profit organizations, which require the Organization to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

(b) Financial Statement Presentation

The classification of VIP's net assets and its support, revenue and expenses is based on the existence or absence of donor-imposed restrictions. It requires that the amounts for each of three classes of net assets, permanently restricted, temporarily restricted, and unrestricted, be displayed in a statement of financial position and that the amounts of change in each of those classes of net assets be displayed separately in a statement of activities and changes in net assets.

These classes are defined as follows:

- (i) Permanently restricted Net assets resulting from contributions and other inflows of assets whose use by VIP is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of VIP. VIP has no permanently restricted net assets at June 30, 2017.
- (ii) Temporarily restricted Net assets resulting from contributions and other inflows of assets whose use by VIP is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of VIP pursuant to those stipulations. When such stipulations end or are fulfilled, such temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets.
- (iii) Unrestricted The part of net assets that is neither permanently nor temporarily restricted by donor-imposed stipulations.

(c) Revenue Recognition

All donor-restricted support is reported as an increase in temporarily restricted net assets. When a restriction expires (i.e., when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions.

(continued)

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Grants and contracts revenue is recognized when qualifying expenditures are incurred and/or services are provided for the purposes specified by the contracts. Funds received in advance or any unspent funds are recorded as deferred revenue. Any unspent amounts are required to be returned, unless the grantor approves such amounts be applied to a future grant period. Grants revenue received and expended in the same fiscal year is reflected as unrestricted revenue.

(d) Cash and Cash Equivalents

VIP considers all money market accounts and all highly liquid instruments purchased with a maturity of three months or less to be cash equivalents.

(e) Allowance for Doubtful Accounts

VIP uses the allowance method for uncollectible accounts and grants receivables. The allowance is based on prior years' experience and management's analysis and evaluation of specific promises made. While management uses the best information available to make its evaluation, future adjustments to the allowance may be necessary if there are significant changes in economic conditions. As of June 30, 2017, VIP does not have an amount recorded as an allowance for potentially uncollectible receivables.

(f) Property, Plant and Equipment

Property, plant and equipment are stated at cost, or fair value if donated, less accumulated depreciation. Items costing \$1,000 or more and with a useful life of at least one year are capitalized. Depreciation is computed using the straight-line method and is allocated over the estimated useful lives of the assets. Additions and replacements are capitalized. Expenditures for maintenance and repairs are charged to expense.

Property, plant and equipment useful lives are comprised of the following:

Asset	Useful Life
Building Furniture, fixtures and equipment	27.5 years 3 to 5 years

(g) Accounting for Income Taxes

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of June 30, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. VIP is subject to routing audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress. VIP has not incurred any unrelated business income.

(continued)

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(h) In-Kind Revenue

In-kind revenue is also presented in accordance with ASC No. 958-605, whereby services are recognized as revenue if such services create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and typically need to be purchased if not provided by donation. In-kind services are recorded at their fair market value, and the related expense is recorded under appropriate expense accounts.

For fiscal year 2017, VIP received clothing, baby items, and food donations amounting to \$17,141. VIP also received donated legal services with an estimated fair value of \$72,544.

(i) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions on the reported amount of assets and liabilities and revenues and expenses. Actual results could differ from those estimates.

(j) Functional Expenses

The cost of providing the various programs and supporting services has been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services.

NOTE 3 - CASH RESERVES

The cash reserves account represents the Homeless Housing and Assistance Program reserve, which is a required fund restricted by the New York State Office of Temporary Disability Assistance for VIP's Casa Sandra building. The reserve is maintained under a business savings account.

The awards administered by the NYC Human Resources Administration residential and non-residential programs consist of Federal, State and local agencies and have been allocated based on percentages provided by the administrator, which reflect amounts funded by the respective agencies for the programs.

NOTE 11 - CONCENTRATIONS OF CREDIT RISKS

VIP's financial instruments that are potentially exposed to concentrations of credit risk consist primarily of cash and accounts receivable. At times during the year, VIP's cash balances were in excess of the FDIC insurance limit. However, VIP has not experienced any losses to date. VIP's accounts receivable consist primarily of amounts due from various federal and state government agencies.

NOTE 12 - CONTINGENCY

Reimbursements from grant-related expenses and overhead applicable to programs conducted under the contract funded by the U.S. federal government, the State of New York, and The City of New York are subject to audit, which may result in adjustments for disallowances. The amounts of disallowances, if any, cannot be determined as of the date of this report. Therefore, no provision is made for these potential liabilities.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2017

NOTE 12 - <u>CONTINGENCY</u> (Continued)

The Organization derives a significant portion of its revenue from federal grants. A reduction in the amount of revenue provided by federal grants, should this occur, could have a significant impact on the Organization's ability to carry out its activities at current levels.

NOTE 14 - PENSION COSTS

VIP has a defined contribution (profit sharing) pension plan (the "Plan") for its employees. The Plan is noncontributory. Employees aged 21 and over are eligible to participate after one year of service. Vesting starts at 25% for one year of service, 50% for two years, 75% for three years, and 100% for four years. Contributions to the Plan are determined by a fixed percentage of an employee's gross annual income and are subject to the approval of the board of directors on an annual basis.

The total value of the profit sharing pension plan assets amounts to \$242,900 as of June 30, 2017.

Additionally, VIP employees maintain a separate contributory pension plan. The total value of such pension plan assets amounts to \$502,711 as of June 30, 2017.

NOTE 15 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through November 30, 2017, the date on which the financial statements were available for issue. There are no subsequent events of a material nature that came to our attention warranting disclosure.

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2017

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of VIP for the year ended June 30, 2017. The information in this Schedule is presented in accordance with the requirements of the Office of Management and Budget (OMB) Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of VIP, it is not intended to and does not present the financial position, changes in net position, or cash flows of VIP.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

NOTE 3 - FEDERAL AWARD ALLOCATIONS

The awards administered by the NYC Human Resources Administration residential and non-residential programs consist of Federal, State and local agencies and have been allocated based on percentages provided by the administrator, which reflect amounts funded by the respective agencies for the programs and only the Federal allocated portion has been reflected on the Schedule of Expenditures of Federal Awards.

NOTE 4 - INDIRECT COST RATE

VIP has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Violence Intervention Program, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Violence Intervention Program, Inc. (the "Organization"), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 30, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs that we consider to be significant deficiencies as item 2017-001.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statement are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as item 2017-001.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of Violence Intervention Program, Inc.

Report on Compliance for Each Major Federal Program

We have audited Violence Intervention Program, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Violence Intervention Program, Inc.'s major federal programs for the year ended June 30, 2017. Violence Intervention Program, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Violence Intervention Program, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Retirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Violence Intervention Program, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Violence Intervention Program, Inc.'s compliance.

Opinion on Compliance for Each of the Other Major Federal Programs

In our opinion, Violence Intervention Program, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its other major federal programs identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs for the year ended June 30, 2017.

Other Matters

The results of our auditing procedures disclosed other instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as item 2017-001. Our opinion on each major federal program is not modified with respect to these matters.

Violence Intervention Program, Inc.'s response to the noncompliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Violence Intervention Program, Inc.'s response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Management of Violence Intervention Program, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Violence Intervention Program, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Violence Intervention Program, Inc.'s internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control over compliance that we consider to be significant deficiencies.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2017-001 to be significant deficiencies.

Violence Intervention Program, Inc.'s response to the internal control over compliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Violence Intervention Program, Inc.'s response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

None.

Section III - Federal Award Findings and Questioned Costs

Finding #2017-001 - Reporting

Criteria

The federal data collection form is required to be filed by no later than the end of the ninth month following the year-end date.

Condition

There was a delay in closing the general ledger for the fiscal year ended June 30, 2016 which delayed the start of the financial and federal single audits, resulting in the untimely filing of the federal data collection form.

Questioned Costs

None

Context

The Organization does not have a set of formal procedures to ensure that the general ledger is closed and all material accounts reconciled within a set period of time to allow for timely completion of the required audits and filing.

Effect

The Organization cannot be considered a low-risk auditee for purposes of federal single audit for the next two consecutive years.

Recommendation

Management is in the process of developing a formal set of policies and procedures, which includes a timeline, to ensure that the general ledger and the audit have commenced before a specific deadline to ensure adherence to the federal clearinghouse deadline.

View of Responsible Official

We are in agreement with the above recommendations and will formalize our current procedures to include a specific timeline to ensure adherence with the federal deadline.
